The diagram shows a technical drawing of a garment's hemline. A horizontal brown line represents the hemline. Above it, a vertical double-headed arrow indicates a distance. To the right of the arrow, the text 'Hemline band cut 2' is written. At the bottom, there are two light purple circles with dashed outlines, one on the left and one on the right. A large, faint gray number '22' is centered at the bottom. The top of the image shows a curved line with red and green segments.
